Simple Spatial Technologies,
Saturday 17th November, 2012
Spinifex State College,
8.45am for 9am-4pm

Spinifex State College, Senior
Campus, Abel Smith Parade,
Mt Isa, 4825

Get a simple, easy-to-follow introduction into the wonders of spatial technologies such as online GIS, Google Maps and Google Earth from an experienced classroom teacher. Spatial technologies are not only relevant to Geographers but make teaching Geography so much more fun. Find out more and register at:
