

2015 ANNUAL CONFERENCE

PROGRAM

DAY ONE – FIELDWORK EXPERIENCES – FRIDAY 24TH JULY 2015

Option One – SEQ Water – Wivenhoe/Mt Crosby - \$30.00

A fieldtrip to explore Wivenhoe Dam and the Mt Crosby Treatment plant, which could supplement both the Year 7 Unit “ Water in the World” or the Senior Geography Unit for Catchment Management.

Departing Southbank at 8am and returning at 1pm – morning tea included

Cost \$30.00

Option Two – Urban Environment Education Centre –“Follow the Crowd”

A field trip for the Year 9 Unit “Geographies of Interconnections” , which investigates perceptions and use of places and spaces, particularly at different times of day, between males and females, different age groups and people from diverse cultures, and reflect on the differences .

Location: King George Square – half day 9am – 12pm.

Morning Tea included (coffee & cake at local café)

Cost \$20.00

Option Three – Second Nature – Paddock to Plate

A field trip designed to support Year 9 “Biomes and Food Security” unit. The fieldwork will encompass innovative farming techniques for large and small scale farming as well as sustainability challenges in managing the environment as a result of these two industries.

Departing Southbank at 8am and returning by 4:30 – morning tea, lunch, afternoon tea and workbooks included.

Cost \$30.00
