Hello GTAQ participants 😊

Emily here from the Second Nature Education team. We have the privilege of taking you on a Coastal Investigation program on Friday 29th July 2022 to the central Gold Coast beaches! This program is designed to support the IA2 Land Cover Transformations unit, however is it also applicable for teachers wanting to offer students a coastal field trip for the Environmental Change & Management or Landscapes & Landforms units.

Here is a run-down of what we will be doing:
